Since 1938, Central Electric Railfans' Association has presented programs, published books, and hosted fan trips. In 2023 CERA continued its successful online programs on Zoom, offering both "open-to-all" Zoom programs and programs marketed exclusively to members and prospective members. We also returned to our in-person programming at a new location and hosted a fan trip to the Fox River Trolley Museum and Illinois Railway Museum as part of our 85th Anniversary Weekend.

We very proudly edited, published and produced the critically received Transit in the Triangle, Volume 2 which was mailed to all of our 2019 Members. Our goal now is to get out two books in the next 16 months to 2020 and 2021 members!!

We plan on making 2024 even better. Look forward to new things on Zoom and in our in-person programming, news on upcoming CERA-penned books and other featured products in our store and special deals on older titles in our inventory.

Please consider contributing to these efforts by renewing your membership, or becoming a new member. You can pay for your membership by check or credit card and online via our web site: www.cera-chicago.org/join. We accept PayPal.

CERA 2024 members will receive a hardbound book on an electric railway subject as a membership benefit. You can count on our publications to continue a long tradition of excellence in historical and contemporary electric railway research, while also being both informative and entertaining.
